Dear Sir:

It is requested that a Certificate of Correction be issued correcting printing errors appearing in the above-identified United States patent. A copy of the text of the Certificate in the suggested form is attached.

Issuance of the Certificate of Correction would neither expand nor contract the scope of the claims, and re-examination is not required.

As none of the errors are the Patentees' mistake, it is believed that no fee is due.

Respectfully submitted,

LARSON, P.C.
